THE people of New Orleans yesterday applied to the Secretary of War for rations, representing the distress and suffering as ter-

-ible beyond description.

By telegraph last night we learn that the total of deaths from yellow-fever in New ()rleans, up to yesterday, were 1091, including 461 children under eleven years of age.

THE election passed off quietly in Arkansas yesterday. In Little Rock the Democrats had no opposition and in Phillips county they elected their ticket by nearly two thousand

IT was stated by telegraph last night that Butler P. Anderson was dying, but as the latest news from Grenada goes no further we hope to have tidings of a better nature to-

THERE was a total of 189 new cases of fever for the forty-eight hours ending at six o'clock

last night, and 137 deaths. New cases on Sunday, 104, of which 85 were white and 19 colored; the deaths being 87, of which 64 were white and 21 colored. Yesterday the new cases numbered 84, of which 68 were white and 16 colored; the deaths being 52, of which 35 were white and 18 colored. This of which 35 were white and 18 colored. This state that they find it encroaching upon lobrings the total of cases to date up to 1336, califies heretofore exempt. Though the presand the deaths to 582.

MR. A. S. MITCHELL well known here as former clerk of the United States Court for this District, writes to Mr. Fisher, Chairman of the Citizens Relief Committee, suggesting fever. Her case to fine death from yellow-fever is retailed to the establishment of floating hospitals. The critical form assurances to the contrary that gestion is a good one and we think is worthy the attention of the Howard Association. He also suggests that bonfires be kept ention of the Citizens Relief Committee.

WE deeply regret to state that, owing to the absence of Colonel Kellar and Mr. Brower and the fact that Mr. R. A. Thompson, one of the editors and proprietors, is sick of the fever, and that Mr. Landrum, local editor, is confined to his room with the same disease, the staff of the Avalanche is reduced to Captain Trask, of the commercial department, who sleeps in the country every night, and to one of the proprietors, Mr. F. S. Nichols, Special to the Appeal.] who is acting as editor-in-chief, business manager and foreman. Mr. Landrum, it is hoped, will be out in a few days, when the pressure up on Mr. Nicholls will no doubt be

Soonen than we expected we had a ripple of riot. It occurred yesterday, and was prompty suppressed by a gallant soldier of Captain Brown's colored zouave company, who put a draw a pistol on him. A man named Mike raise money for the distressed. We will forand excite them to riot, but he was promptly taken in hand by a citizen, who compelled an hour or more a very bad spirit was mani fested, which, but for the knowledge that the might have grown to the proportions of a

fearful and bloody riot. buried on Sunday. Ed Mansford, who, in 1873, and through this epidemic, until two untiring energy in a work but for which the poor would have no succor, passed away peacefully as Sanday morning dawned. His work was done. He had fought the good fight, henceforth there was for him the crown of martydom. He came out from the ranks of the people a mere private, he went to his

Celle, of Union Court University place, was removed to-day to the quarantine, prestrated with the yellow-fever. Mrs. Celle came to this city with her husband ten days ago from Memphis, having stopped seventeen days at Cincinnati. She gave birth to a child Monday night, and on Friday night yellow-fever was developed.

Vicksburg.

Third—That the yellow-fever epidemics, though occasionally extending over large tracts of country, are more frequently limited as to the space over which they spread, often not involving the whole of a town, and sometimes not even any considerable district of it.

Fourth—That rellow-fever epidemics do not district by any rule of gradual progression, but often ravage certain localities, while they spare entirely, or visit very lightly others in the immediate neighborhood with while they spare entirely, or visit very lightly others in the immediate neighborhood with while they spare entirely or visit very lightly others. of the people a mere private, he went to his cherish both, that in other years, should death visit us again in so awful a form as he now ample to join a forlorn hope like the Howard

citizens at home and abroad. They ordered

of a little band of his co-religionists, and afterward as a Howard, he went about, day day seeing not a living or a breathing thing; and night, doing good, carrying comfort to sick-rooms, provisions to the destitute and supervising with all the energy of that is resting over the south. If I could do

Cincinnati.

The following is the full text of a speech delivered in Cincinnati, on Wednesday last, by Rev. Dr. Carmichael, formerly rector of Grace church, this city:

Gentlemen and Fellow-Citizens of Cincinnati—I do not come here to make a speech, but in the providence of God I am glad to stand in this place to-day. In the name of scores who have gone beyond the dark river, whose days were soothed and softened by your generous charity, I thank you. To-day the spirits of those persons will look down upon you for your great charity, and to-day I thank you in the name of the south for your generous charity in 1873. In the sued orders that will carry comfort to our of sixty-five other soldiers of 'he home, to bury the dead, and the concentration of the by Rev. Dr. Carmichael, formerly rector of ed within the six-hour limit of to-day I thank you in the name of the south the ordinances. If this is not done, if the awful sights and experiences of the past two weeks are to be repeated, we may make up our minds to die, every one of us. The dead the repeated with industry, I trust He may help you to the action of the grade of the grade

Memphis Cooperage

Manufacturing Com'y

WE will be able to fill all orders for OIL-BARRELS, MOLASSES-BARRELS, KEGS. of all
sizes, and SLACK COOPERAGE, in any quantity.
We have succeeded in getting a large stock of the
best material on hand before we were compelled to
suspend operations on account of the prevailing
epidemic. All orders addressed to the Secretary. 18
Madison street, will, after the above date, secure prompt attention. (MARKET STREET SCHOOLROOM Memphis Cooperage & M'f'g Co.

Per W. J. McDERMOTT, Secretary. Special Notice to Shippers! OUR friends are requested to send us no cotton-seed until y-llow-fever abates in our city, as we cannot receive and take care of them. We shall then be prepared to take all that may offer, and send sacks through the Cotton Seed Association as usual. CITY OIL WORKS.

Memphis, August 29, 1878. A. Q. U. W.
